The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters Comm 82 through 84, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an approval based on the Wisconsin Statutes and the Wisconsin Administrative Code. **This approval is valid until the end of June 2013.**

This approval is contingent upon compliance with the following stipulation(s):

- This product uses one or two anti-siphon fill valves for means of protection of the water supply.

This approval supersedes the approval issued on 3/20/2003 under product file number 20030191.

This approval letter shall be incorporated with your previously approved plans and/or specifications approved under product file number 20030191.

The department is in no way endorsing this product or any advertising, and is not responsible for any situation which may result from its use.

Sincerely,

Jean M. MacCubbin, CST
